

A Prayer For Our Children

By Regional Youth Ministry Consultant,
Rev. Diane Venzera

The Divine presence of our children and teens is an integral part of our church and we serve God and our church family by applying Truth principles in the spirit of love & joy.

We recognize what precious gifts our children, teens and families are and know that they brighten the world with their faith and love.

We provide a safe and nurturing environment that allows that faith and love to unfold.

We draw to us all the resources, people and ideas needed to bring these ideas into manifestation.

We acknowledge God as our source and know that in co-creating, we bring these ministries into being.

For it is through the wonder and power of God that all things exist.

We give thanks knowing the way before us is bathed in light and we step forward in faith with the assurance that through the power and presence of Divine Spirit, our way is made clear.

"Jesus said, 'Let the little children come to me, and do not stop them; for it is to such as these that the Kingdom of Heaven belongs.'" Matthew 19:14
