

From the writings of

Charles Filmore...

THE LAW OF GIVING

AND RECEIVING

The law of giving and receiving is the law of substance that equalizes all things. To realize and maintain divine order, substance must have both an inlet and an outlet in consciousness, and must be kept moving. To demonstrate substance as supply, the law governing it must be recognized and kept.

Those who, from pride or ignorance, do not open themselves to the inflow of substance do not demonstrate supply, and all who by selfishness refuse it an outlet, also fail. Everyone must receive freely and give as freely as one receives. Disregard of the basic principle of supply frequently hinders one's realization of the divine good. Readiness to give and readiness to receive are equally essential.

Tithing is giving a tenth of one's supply to God and God's work. Tithing, which is based on a law that cannot fail, establishes a method in giving. It brings into consciousness a sense of divine order that is manifested in one's outer life as increased efficiency and greater prosperity. It is the surest way ever found to demonstrate plenty for it is God's own law and way of giving.

Freely ye receive, freely give (Matthew 10:8)

How the Program Works ...

The foundation of our New Thought Unity philosophy stands upon the belief that Divine Love, Divine Life, Energy, Intelligence and Substance, all coming from God within, are always seeking fuller expression in our lives ... In God, we are an integral part of this expansion.

Jesus is quoted as saying,, **"It is God's good pleasure to give you the kingdom."**

The more open we become to the principle "As you give, so shall you receive, " the more receiving will manifest in our lives.

In this way we begin unlocking our own potential for abundance. A receptive mind is essential for a successful demonstration of this principle.

"Prosperity is *knowing* you have more than enough!"

On the next page is an affirmative prayer for Unexpected Income. Begin and end your day with this prayer and use the principle of giving and receiving for your increased goodness.

In your daily prayer time during the months of January and February, hold all those participating with you in consciousness. Together we will see wonderful demonstrations of our faith!

My Prayer for Prosperity

Do this Affirmative Prayer every morning and evening throughout the month.

I believe that God is the source of all supply and that money is God in action.

I believe that my good is now flowing to me so richly and so fully that I have an abundance of money to express appreciation for everything around me, today and always. I believe that true prosperity includes perfect health, perfect wealth and perfect happiness.

These words, which I now speak in faith, activate a Law of Universal Good and I accept the results.

I bless all the good that is with me now. I bless the increase of prosperity in my life. I bless all of the others in the Unexpected Income Program and I know that now we prosper together in every way; I give thanks for this good. So it is! And so I let it be.
